

## THE SOCIETY

The Logan River and District Family History Society was formed in June 2001 and is a non-political, non-sectarian, non-profit organisation that aims to bring together those people who are interested in the study of genealogy, family and local history; and to encourage and assist members in their research. It also aims to preserve historical records and to maintain a reference and research library. Another aim of the Society is to collect and preserve material bearing on the families of the people of the Logan River District.

### Volunteering

Non-profit societies are run by volunteers. We are always in need of members to help the Society to run smoothly. We hold events such as sausage sizzles to raise funds and promote our Society on a regular basis.

To volunteer your services or if you have a talent or skill that could be useful to us, please come and talk to the Committee.

### Family History Courses

We can offer **members** and **non-members** courses on family history research. Please telephone the Secretary/Education Officer: Graham Popple on 3200 6141 for details. The cost of the courses is always very reasonable and financial Members receive a discount. Classes will be advertised on our website, Facebook page and in our quarterly journal.
